

Website Development & Web Accessibility

Advertisement of Accessible Plans & Specifications

Per Title II of the Americans with Disabilities Act (ADA), the Web and Mobile Application Accessibility Rule requires that content on an external-facing Dorchester County website be accessible by April 26, 2027.

As this relates to advertising accessible construction plans, given the diverse information conveyed even in the most basic plan set, it is not currently technologically feasible to make items like a plan sheet accessible. To assist those needing accommodation for elements of an advertisement package, such as plan sheets, contact Transportation@dorchestercountysc.gov.

Inquiries sent to this address will first be directed to the project support personnel responsible for project advertisements, who will then refer inquiries to the project manager when necessary. All specifications-related questions or additional questions and request can also be directed to Transportation@dorchestercountysc.gov.

Reasonable efforts have been made to make all existing project materials accessible, where feasible. As of April 26, 2026, Dorchester County has made efforts to remediate existing documents across the Transportation Sales Tax Website to meet WCAG 2.1 Level AA standards.

Stallsville Loop Project

Meeting Purpose

Dorchester County welcomes you to this Public Information Meeting. The purpose of this meeting is to provide you with an opportunity to review and comment on the Stallsville Loop project. This is a drop-in meeting, there will not be a formal presentation.

You are encouraged to review the displays and discuss your questions or concerns with Dorchester County staff or their representatives at this meeting. Your attendance and comments are very important to the project development process. You are encouraged to submit written comments on the forms provided and place them in the comment box for Dorchester County to review.

Our Path to Progress

Dorchester County Transportation Sales Tax Program

Anticipated Schedule

Right-of-Way Acquisition Begins: Early 2026

Construction Begins: Early 2027 (Estimated 12 Month Duration)

Project Overview

The Stallville Loop Project includes the realignment of Stallville Loop from its existing intersection with Old Trolley Road, to align with the intersection of Old Trolley Road and Miles Jamison Road. Two twelve-foot travel lanes; a single lane roundabout; a 15-foot, two-way center left turn lane; five-foot sidewalks (or 12-foot shared use path); and new striping on Old Trolley Road are included in the proposed project. The project will reduce congestion and improve traffic flow.

Budget and Funding

The Stallville Loop Project is made possible by the Dorchester County Transportation Sales Tax Program.

Total Project Budget: \$8,611,586

Comments

We appreciate your attendance and encourage your feedback on the project. Comments may be provided in the following ways:

Complete a comment form and place it in the box provided at the meeting.
